

Instituto de Políticas de Bienestar Social de la Universitat de València - Polibienestar

Polibienestar is made up of an interdisciplinary team led by **Jorge Garcés Ferrer**, who is Prince of Asturias Chair at Georgetown University (Washington DC) and more than 60 **researchers**. They come from different backgrounds from University of València and other 7 universities .

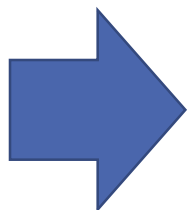

We participate in European and national **networks**.

More than 40 regional, national and European research **projects** in the last 10 years.

What does Polibienestar make?

We propose innovative tools to face current social challenges from an interdisciplinary perspective.

VISION: Improving welfare, sustainability and society's quality of life.

MISSION: Achieving a better efficiency of public policies by means of innovative, holistic and interinstitutional ideas which will be led and interdisciplinary and poly-centric team.

CHALLENGE for 2030: innovating on public policies through ICTs.
